She was an amazing light for people to see. Till we meet again...

Valda was a wonderful lady whose exuberance for life never waned! She was witty and swift in her conversation and responses and was a joy to spend time with! May God give you peace as you mourn this wonderful lady. I know He is already smiling and full of joy that He has now taken her home to be with Him, were she is happily enjoying peace and serenity in wholeness. Much love! Janice Otchere & Family
