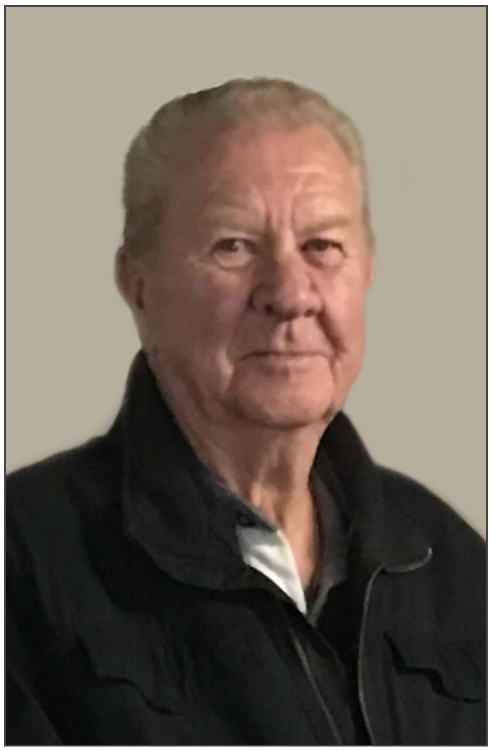
Frank Pius Eiswerth



APRIL 15, 2019

Eiswerth, Frank

Our dear husband, father and grandfather, passed away peacefully on April 15, 2019, in the Regina Pasqua hospital after a short battle with cancer at the age of 75 years. Frank will be lovingly remembered by his wife Linda, of 51 years; daughter Kari (Clayton); son Jay (Kelissa); grandson (Jacob); sister Marie; brother Richard; as well as numerous nieces, nephews, extended family and friends. He was predeceased by his parents and 9 siblings. *Family and friends knew him as a devoted, kind, witty, modest and hardworking husband and father, who always had a one liner and closed his visits with "Linda start the kids!". Frank was known for his love of cribbage, watching sporting events, fishing and playing golf and his regular batches of "sultze" which he loved to make!* "Frankisms", appeared during his hospital stay and will forever remain and continue to be used by his son, son-in-law and grandson – "Okay Fine", "I can't know", and so many others! In keeping with Frank's wishes, a service will not be held. Thank you to Dr. Cuddington, Dr. Alport, and the staff at 4B (Pasqua Hospital) as well as the Palliative Care Staff, for the loving care provided to him on his last day.

Linda, Kari, Jason, and families: We were very sorry to hear about Uncle Frank's passing. I have very fond memories of him from when I was young. He always made me laugh. Our condolences to you, Tammie, Gilles, and family

So sorry to hear Frank headed into eternity. My greatest memories were of him as a teenager baking when we went to Grandma and Grandpa’s in Regina. Before that, was skating on the slough on the farm. Vic, Frank, and Ken taught me to skate and I still do occasionally.

I loved his goofy sense of humour and wondered how Linda could not have a sore side from laughing at him sometimes.

He brought lots of joy and laughter into the family and will be missed greatly.

Linda and family,

I was shocked to hear of Frank's passing. I worked with Frank at GB Contract Inspection and enjoyed his sense of humor. He sure kept me on your toes. "I can't know" was a daily response to any questions. . I will always remember him with a smile on my face...cause that was what he did....made everyone smile. My sympathies to all Frank's family. He will be deeply missed.

— Charlotte Halabuza

Sending our love. My childhood memories of Uncle Frank include the time we kids took apart his piece jigsaw puzzle and thought we could put it back together again; we couldn't and he wasn't too happy with us. Another memory is the night he took us to our first football game (I wore my blue gingham dress-perfect attire for a football game) and the Roughriders won in the last few seconds.

Deeply saddened by Franks passing.,we go back a very long way- high school actually. He was very mischievous & we all had just great times together as many of you can also imagine. We connected again years later when I was able to help them sell their house prior to moving to Estevan. Also helped Jason buy his first home. Frank was just a great person to know and is one that you do not forget. Linda, Jason, Kari may your souls be healed by the gentle hands of time.

— Betty Lou Gaudette

I will never forget the first time Tim introduced me to his Uncle Frank back in the 80’s. The moment he heard my name he instantly came up with a special new name for me and from that moment on I was forever to be known as “Boat People”. I cherish that and laugh about it to this day. Frank was a wonderful one-of-a-kind man. It’s so hard to lose someone who has always been right there and always too soon to say good bye. Linda, Kari and Jason, our family’s deepest condolences go out to you and yours. Much love and many warm hugs to you all.

— Marina Thibault

Linda, Kari and Jay I was so very sorry to learn today of Frank's passing. Frank and I worked together in Regina in 1975/76 and became quite close. We were in a new city with no relatives or friends close-by and Linda you may recall that you and Frank looked after our little daughter, Shelley while we were in the hospital having our son Jason. Always so kind, giving and thoughtful. I like to believe that we will all be remembered not for what we said and not for what we did but by how we made people feel. For that Frank will always be fondly remembered.

— Dave (Chad) Taylor

I had the privileged of working with Frank for more than 10 years. Frank was a great friend and mentor to me. We spent many hours playing crib and discussing sports and current events, I always respected his analysis of both. Frank had a profoundly positive effect on the lives of everyone who had the great fortune to meet him! He will be missed. To Linda and family my deepest condolences.
