Messages of Condolence

We want to extend our heartfelt sympathy and condolences to Grace's family. Grace was a dear friend of my mom (Klare Thomson) and I know mom will be welcoming Grace with a big hug as they will once again be together to continue their friendship. Grace will be your angel always with a careful eye on her family. I enjoyed the occasional chat with Grace while she lived in Luxstone and Darrell enjoyed her positive spirit and smile as he went through his workdays there. To the family, may all your fond memories and the love you shared hold you up through this time of loss. Our thoughts are with you.

— Susan & Darrell Frazer
