Messages of Condolence

We would like to offer our sincere condolences on the loss of your loved one. We did not know 'Tiger' but if you were to judge a man by his family, whom we value as friends, then he must have been an incredible person. We are here to share your sadness. Ed & Marlene.

Tiger was always a great friend and neighbour. We both enjoyed the outdoors and trapshooting. We often talked about the "Old Days" of duck hunting and "Old Richmond", having all lived there in the 60's. Our thoughts are with the family, and Norma knows that we are only across the yard if she needs anything, anytime. Gardening won't be the same without Tiger always "one-upping" me with his tomato plants compared to mine. We'll shoot trap together again one day, Tiger. Farewell, Dear Friend.

To Tigers family: My sincerest regrets. I will always remember Tiger, he was a great friend, We played soccer together on the Ladner soccer team.

We were so sorry to hear about Tiger's passing. We have so many fond memories of Tiger and Joan and watching all of the kids grow up together. There were many mornings that he could be found in our kitchen after going to his garage sales. We really enjoyed his sense of humour and the stories he would tell.

We are sorry that we will not be able to attend the memorial service as Len just had surgery on his shoulder, but our thoughts and prayers will be with you all.

Rest in Peace Tiger.
