Messages of Condolence

Linda will be missed and will go to a better place God Bless her.

— BARRY DAHL

I am very sad to hear of the passing of my very best childhood friend Linda. We shared many adventures and good times together before Linda unfortunately got very sick with her ailment, which has lasted for a good portion of her life. She struggled greatly, and I hope that she is finally at peace. God Bless Linda, will miss you dearly, but will never forget you. My condolences to the family.

It was a great shock and immense sadness to hear the news of your passing. Linda, you were my longest oldest best friend. I remember meeting you for the very first time.
It was outside in the yard at my house.You were three years old and I was four. I invited you in for tomato soup and you said yes...
In fact the last time we spoke, you brought up this story. And I was surprised that you remembered it so well.
We shared so many great times in our childhood. Whether at your house or mine or somewhere else in the neighborhood.
We certainly made some memories.
You also had so many good friends and I know they feel a huge emptiness with your passing.
I will never forget those days they are still very Vivid in my mind.
It was so sad that you developed an illness, that burdened you for most of your adult life..
You were a fighter and a trooper that is for sure.
I love you with all my heart I will miss you every day, and I will never forget you.
I was so heartbroken and disappointed that I was unable to come to your funeral.
I believe that you know my love and my heart are with you.
my condolences to all of your family, who were always there for you.
Till we meet in heaven my friend. □□□□
