Messages of Condolence

I was always interested in the work and equipment of Peter and AC Bechard. Those long beams for moving houses and even elevators were fascinating to me. For many years Peter was a parishioner at Blessed Sacrament and it was a pleasure to greet him and share information about Sedley. Peter also came to visit Charlaine Zborowski at 'The Hair Shop' and since I lived in the building I'd see and visit with him. May our Lord bless Peter and his family.
