

Rosamond Loretta Adams

NOVEMBER 21, 2023

Our world as we know it stopped on November 21, 2023 at 10:06 a.m.

Our hearts have been broken by the loss of our beloved mother who passed away peacefully with her family by her side.

Rosamond Adams, age 99

June 1 1924 - November 21, 2023

Born in Moose Jaw, Saskatchewan

Predeceased by her husband Arnold Adams and her daughter Margaret (Peggy) as well as many of her brothers and sisters.

Survived by her sister Marlene Shein and sister in law Louise Butler.

Mom is also survived by her 9 children,

Glen, Gwen, Randy, Sandie (Kerry), Leslie (Doug, deceased) Linda, Elaine (Rob, deceased) Diane (Don), Debbie.

Mom was the proud grandmother of 21 grandchildren, equally proud of her 35 great grandchildren.

Mom was a stay at home mother, always cooking and cleaning making sure we were all happy.

Mom always reminded us that she was blessed to have had a long and fulfilled life ,surrounded by all of us that loved her. She enjoyed the casino and loved her vodka and 7- up which always put a smile on her face. At gatherings Mom's trait was to put her empty glass on her head, we all knew what it meant, it was time for another one...just one more please! Mom's desire was just four simple things from her family, a visit, a hug, a call, and the words, "I love you!"

Material things were not important to her, all that mattered to her was that the people in her life were happy and healthy.

Mom left a note for us expressing her wishes for us :

To my daughters and sons...

When you are lonely I wish you love,
When you are sad I wish you joy,
When you are discouraged I wish you beauty,
When you are troubled I wish you peace.
Love Mom

When we lose someone as special as a mother or a grandmother we are just not ourselves, nor should we be. We are broken and bereaved and need time to mend, we know you are at peace now mom and grandma and watching over us. For us that brings us comfort while we walk through this hardship. Waves of sorrow will come and go through the rest of our lives, we need time, more than we know. Mom, Grandma, you are the most beautiful memory we all have locked in our hearts.

Mom and Grandma, if every single person that loved you in your lifetime, were to

light up on a map, it would create the most glittering beautiful network you could imagine. Throw in the strangers you have been kind to, the people you made laugh, or inspired along the way and that star bright network of you would be an impressive sight to behold. You were so much more than you think you were to us; you have done so much more than you realize for us. You have left your family a trail of a very bright pathway to follow. Thank you for being a blessing in our lives.

We love you Mom and Grandma and will miss you more than you know. Mom didn't like goodbyes, her saying was: "so long for now"

So long for now, until we see you again

Sending my condolences to the entire family. Your mom/grandma was indeed, a very special lady. She had an infectious laugh and always a smile on her face. The love of her family was evident to anyone who knew her. Rest in peace, Mondy

Mondy and I were partners on the holidays we went on as Bill and Arnold (uncle) were the drivers. We always had a great time, we needed a van as there were 8 of us and luggage. I'm with Diane, hope they are having a party!

— **Barbara Lang**

It is with great sorrow to hear of this .Your where a mother in law and a mother figure for a short time in my life but I have always had great respect and fond memories of you Rest In Peace you are with Ernie again and will be remembered by many and to all my old family members my deepest condolences.

— **Ken Turner**

Aunty Mondy moved to Vancouver's Davie street with her sisters and mom after the war. Mom told me they'd get dressed up and practice walking down the street in the big city (decades before Davie was a prostitution strip, and yes, family jokes ensued). They also curled their eyelashes with Vaseline, pressed with a butter knife. Badass! Mondy lived a good, long life, lucid, aware, and remarkably free from hospital care till the very end, with her family there. Lucky☐

Condolences to the Adams' sorry I can't attend the funeral

— **Betsy masi**

When I think of Mondy it will always be with warmth in my heart. She would always be smiling and her kindness showed through. What a lovely lady and how much she loved her family was obvious in her manner. My deepest sorrow goes out to the family.

— **Leah perrett**

Condolences to the Adams Clan. We remember her for her calm and composed presence and sense of humour among all those kids! Maybe we should all drink vodka and 7-up, she will be missed.

— Joe and Jo-Anne Keegan

I am so sorry to hear of Aunty Mondy's passing. Truly a gift to live such a long life and to have a large loving family.

I remember being on a trip and she taught me empty glass on the head trick where it would miraculously be filled. Gotta try that again and hopefully

— Colleen and Lody (Lovey as Aunty Mondy called him) Detina

Growing up in Nelson I never really got to know Aunty Mondy. But when I did see her she always made me feel comfortable and welcome. She will definitely be missed. RIP Aunty.
