Danny and Janelle,

We are all so very sorry to hear about the sudden loss of your much loved Mom. I have visited with her so much over the years when she was in to see Dr McIntyre. Your Mom was a real trooper - she never complained and valiantly faced all the health issues that seemed to always keep coming. Your Mom also bragged about her awesome kids who she loved so much and was always overjoyed when she was able to visit with you. It is so many years since we all lived in the condos together but we were all a close knit group who looked out for each other and all the many kids running around from dawn till dusk. We thought living there was so great that all the kids moved out and we remain there today. And just like the quote says " It broke our hearts to lose you, but you did not go alone. For part of us went with you the day God called you home." In time the sadness will lessen and good memories will take over and you will see so much of your Mom in every part of your every day.

Sincere sympathy from all the family.

— Randy and Sheila Kidd and family
