Messages of Condolence

It is with sadness that I read in the paper about Marg. I remember the many times my Mom & Dad (Buster & Marguerite) spent with them, developing a special friendship. That friendship continued with my mom and your mom in later years. Includes me also. Glad I had the opportunity to know her.
Sincere condolences to you Judy and all of your family.

Our sympathies to you for the loss of your dear Mother. I'm sure you have many fond memories of her and your Dad, as do many of those who have known them also for so many years past now. They were good people.

Judy so saddened to read of your Mom's passing. She was truly a devoted Mom and Grandma; vibrant, energetic and caring. She always had a smile on her face and a great laugh. She enjoyed life to the fullest! Praying for you and your family at this time of great loss.

I'm so sadden by Margaret passing, being a neighbour, Fred and Margaret were the 1st grand parents that our daughters knew. After Fred passing I looked after Margaret's house maintenance needs in exchange for her fresh baked hot buns. When she relocated in extended care facilities I visited her. When Covid limited visits I taped card messages on her room window.
I loved her like my own parent.
