Rozina was a dear friend to me. We worked together for just one year in Iskut, but Rozina is the kind of friend you make and keep for life. She will be very missed and the world a little less bright without her shining spirit here. She was a wonderful, kind and thoughtful person, an amazing teacher and a talented artist. My sincere condolences to her family.

As I watched Rozina inspire so many kids with her passion for education and creativity I never properly told her that her actions impacted me on so many levels. Her enthusiasm for life and appreciating the smaller things that come our way will forever leave me with memories that will be past on to my daughter. Rozina, you encouraged me to think broader, create more, and be true to ourselves. Even though you have left I will not accept the fact that you are gone, you are loved and I will never forget.

— **Larry Bailey**

What an amazing, inspirational young lady we have lost. I have known your family since childhood & was in awe of this young teacher who (along with a few others) took my daughter years later under her wing & gave her the strength to overcome some huge obstacles with pride & courage. As a little girl, I remember sitting in Dr. Ahmed's office, admiring the beautiful artwork of another little girl whose pictures hung on the walls. Those two little girls grew up, became friends and developed a beautiful teacher/parent relationship. Thank you Rozina, for all you have done and all you will continue to do through your memory.

— **Tracy Brown Ewert**

Dr. and Mrs. Ahmad,
So sorry for the loss of your beautiful daughter.

— **Penny Farley**

Our daughter will forever be a more confident, kind and giving person because of her fabulous grade two teacher, Ms. Ahmed. Ms. Ahmed was Gabi's first teacher here after we moved from BC and she made sure our girl felt welcome, cared for and wanted. We will forever remember Rozina's smile, her laugh and her beautiful nature. As a mother, sister and daughter I can only imagine the immense pain her family must be feeling. She was an exceptional woman, and will be treasured in our hearts and minds forever.

I am still struggling to comprehend that my beautiful niece is no longer around. I remember you crawling across the carpet towards me, when you were just a few months old. And then I think about all the achievements you grew up to accomplish.....from travelling to Seoul to working in Iskut and living in Newfoundland, you made me proud and I know you made your brother and Mum and Dad so proud too. I (we) are already missing you terribly, but we will never forget you and you will always be loved

— **Andy Flounders**

I am so very saddened by this news. I was just thinking about her the other day of how we used to go horseback riding together many years ago. Those memories from our childhood will live on in my heart forever! My sincerest condolences to the family.
