Kathy had a lot of love for her family & pets, and supported animal rescue organizations like the; SPCA. Kathy enjoyed our trips to Haida Gwaii (Queen Charolette Island) where we as a family had many memories.

We were deeply saddened to hear of Kathys passing. The day we moved into our home she was there with a introduction and a spider plant to welcome us to the neighbourhood. Since then your home has become my second home and I got to know the Feser household quite well in my visits, whether it be singing, or playing cards or just having a backyard fire. She will be missed dearly. Wishing you all the best -Anthony
