Messages of Condolence

Dion was one of the kindest, most generous women I had the pleasure of knowing. She had a beautiful spirit and a loving heart. She was a great mother to Lilyanna and I'm proud to have known her. She will never be forgotten by those of us who had the pleasure to know her. My heart is heavy and I feel for her family for she is a person who will be greatly missed.

We are so sorry for your loss. May you find comfort in family and friends (Proverbs 17:17). For additonal strength, may you find it in God who cares for you (1 Peter 5:7). Please accept our deepest condolences.

Hi Lilyanna,

I knew your Mom very well. We used to have lots of fun in Cochrane when we were both teenagers. Your Mom worked as a nanny - that's how she came to live there.

I am so sorry that she has passed away. She was a very kind person - someone you could always confide in and whom you knew would always be there for you.

We shared a very deep love for animals. She had reached out to me on Facebook a year or so ago. We were in Calgary for a while. I am so regretful that we didn't take the time to meet up.

I wish I had known she was ill. You feel free to reach out to me any time. My sincere condolences to you. Your Mom was a bright, honest, strong and very real person.

Hugs,

Debbie
