Messages of Condolence

Wishing my Deepest Sympathy in the passing of Gladys.
I met Gladys at bingo a few years ago. She was a wonderful person with a big heart. She loved her friends and family very much, but also loved the little critters in our lives. She did a lot for the SPCA and I'm sure they will miss her help, but also that smile, we will never forget. I'm working in the north so won't be able to attend her memorial, but will be thinking of you, at this time.
Myrna
