Messages of Condolence

Dear Allan, Lori and family;

We were sad to find out last night that Midge has passed away. She was a real trooper dealing with cancer the past few years. We have been her neighbours on the west side for 23 years and always appreciated her good nature and her community spirit. Midge was the one (almost the only one) who would show up at our door canvassing for Heart and Stroke, or the Cancer Society, or the community association year after year. She was always great to us and our sons, Danny and Austin. We were on vacation the past two weeks and didn't hear of her passing until now. Our condolences to you all - Mike and Dena
