Messages of Condolence

I was so sad and surprised to hear of Nick's passing.

I was a staff member of West Park Middle School where Nick attended and even though I have not seen him since his junior high school days, I do have fond memories of Nick. He was such a likeable, friendly, polite, and pleasant boy and popular with all the students and staff.

Knowing what a special young fellow Nick was, this must be a very difficult time for those in his family. I want to extend my deepest sympathy to you all.
