Messages of Condolence

Thinking of you today Barb. Courtney too! Your mom was always so good to me. She always made me feel like family. I cared for her a lot. I'm going to miss chatting with her at all the family dinners and such. It made me cry and smile today when I saw her Obituary. It made me sad because I think of how I will miss her. It made me smile because of her lovely picture,how she always had such a nice smile. That's how I'll chose to remember her. Will never forget her. xo
