Dear Dwight and Adrienne--

I was so sorry to read of the passing of your daughter. Dwight, I don't know if you will remember me or not, but we went to Thom Collegiate together. We were in the same form for a year or two, I believe. Rhonda was ahead of us. However, looking at that lovely photo of Michelle, clearly, she is the picture of you. I am just so sorry that this has happened.

Losing a 'child' is not how we expect life to play out. I hope that you can all draw strength from each other, and over time, get through this. From personal experience, I have found that you never get over the death of a loved one, but you do navigate and get 'through' it.

Please know that I am thinking of all of you, with love, compassion and sympathy at this time.

Our hearts go out to Dwight, Adrienne, Shane and Kelly in this difficult time. I can only imagine the pain your going through. We are here for you if there's anything we can do. Maybe you can take a little comfort in knowing Connie and Dwayne will greet Michelle with a hug and a kiss and knowing mom a rye and coke? I can picture them both laughing so hard they start to cry. You will be missed Michelle. Until we meet again. Love Blair, Cherie, Brian, Tressa, Laura, Ryan.

Please accept my deepest condolences on Michelle's passing. She worked for me at ISC at the Conversion Center and I have fond memories of the time we worked together. Her laugh was indeed infectious and I can still clearly recall how she shared it often. I was sad to see her leave us for Norway at that time and am devastated to hear that she has passed. It is hard to believe such a bright light has been extinguished so soon. My deepest sympathies to you her family

I was shocked to see an obituary of an old friend who passed so young. We went to McLurg School together and we are old playmates. Michelle would come to the Tennis Court to play hockey with the boys, and we would also play Ringette with her. I have kids of my own now and I can't imagine what your family is going through, but I am sorry for your loss and I have nothing but fond memories of your daughter. My thoughts and prayers are with you.

Dear Amberson family, very sorry to hear what happened. I got to know Michelle in Dubai in 2006, we were both finance professionals so shared the same career but I'm also Scandinavian so had many common interests after her time in Norway. We experienced together famous Dubai Friday brunches and girls nights out - still nowadays I sometimes hear Michelle's laugh - and hope I could text her.
