Heavens Above

You made us smile You made us laugh

That means a lot Through the years

We've had tears Leaving broken hearts
Isn't easy at all to let go and be free
Is like an everlasting dream
In the heavens above sorrows will fade
And memories made living and knowing
You're in the heavens Above

P.S. Kaitlyn Suzanne Amos we all love you :)

I am so sorry to hear about the loss of Kaitlyn. I am so glad I had the opportunity to meet her and hang out with her when we were younger. Always the life of a party, and a big smile on her face. She was so kind and caring. My condolences to her family.
