## Messages of Condolence

We would like to extend our deepest sympathies....we are so saddened to hear of your Moms passing.

Not only did she help my Mom (Phyllis Cavanaugh) care for me when they both lived in Shepard, but she helped me when I was a "first time mom" with our daughter. She was like a "second mom" to me at that time.

Rob says that your Mom made him some liver (when we were neighbours) & she made it taste like a T Bone steak. What a cook!!! A very Special Lady

After all these years that have gone by, my thoughts, and memorable times with your family, are still with me. I have often wondered, how your Mom coped with us wild and crazy kids, but she always did, with her understanding smile and humour. Frank, Lorne, Lorraine, my old friends, I am sending my best wishes and prayers to you, and to all of your family.

With Sympathy,

Dan Sevens

We would like to express our deepest condolences to Ena's family. She was a very classy, and generous lady. She always took an interest in what a person had to say. We will remember her for her good nature and sense of humour.

Our hearts go out to all of Ena's Family. We have had the privilege of having her in our lives for many years, she was a very special Great Gramma to our kids, they will always treasure the special trinkets she gave them, as I will forever cherish the set of glasses she gave me that were a gift she received from my dad years ago. I was so lucky to have had her to tell me many stories of our family over the years. Her smile and spark in her eye, always made you feel welcome. We love you Ena, and will miss you!

Love Bev, Ray, Scott, and Tori
