Angela Eileen Neault

NOVEMBER 25, 2024

It is with great sadness and heavy hearts that the family of Angela Eileen Neault, of Regina Saskatchewan, announce her passing on Monday November 25, 2024. Angela passed peacefully, with her daughters by her side, following her courageous battle with cancer. We take comfort in knowing that she has now reunited with her husband, and our dad, Patrick Neault, who left us in 2018.

Angela is predeceased by her dad, Terry Moore and Husband, Patrick Neault.

Left to mourn are her daughters, Megan (Stanley) McKenzie and Christina Neault (Josh Thomas) and Grandson, Dominik Neault; Mother, Mary Moore; Brothers, Shawn and Brett Moore; Sister, Lina Gradin; Nieces, Alyssa Gibson, Shayla Bida, Kellee and Sammi Leader, and Morgan Kol.

Angela was known and appreciated for her no-nonsense approach to life. She spoke her mind and was truthful yet sensitive and had a giant heart. She was savvy and did things on her own terms. She enjoyed thrifting in her spare time, always finding amazing treasures in unexpected places. Angela also had an incredible green thumb. Her home was filled with countless plants in all shapes and sizes. She truly loved those plants and all the people she met in the “plant community.” In her later years, Angela took pleasure in the sweeter things, always happy to share her “goody trays.” She fiercely loved her family and friends and her pride and joy was her almost 14-year-old grandson Dominik (Domi).

An informal come and go celebration will take place on Sunday, December 8, 2024 between the hours of 11:30 – 2:30 in the Banquet Hall at the Serbian Club (2775 Avonhurst Dr, Regina), where Angela often enjoyed getting together with friends.

The family also invites and encourages you to write down a favorite moment or story to add to a memory box.

Donations in Angela's honor can be made to the Allan Blair Cancer Centre, where she received the utmost care and compassion, and / or the Regina Humane Society.

I remember the first time meeting Angela when our kids were just babies. We spent many evenings doing coffee over the 31 years of friendship. I will miss her dearly and know she's up there with Pat, happy and pain free. Rest easy my dear friend

My deepest most heartfelt condolences to Christina, Megan & all who love Angela... she made an impact on me as a child as she was my foster mother. I can infact say that Angela & Pat were full of life and laughter. They had a wonderful sense of humor that they often shared. They had lovely kids and they were decent foster parents which can be hard to find. Angela was kind enough to check in on my sister and I as adults it was nice to see she genuinely cared. Wishing Angela & Pat a peaceful journey to the heavens. Sending their Family and Friends positive loving vibes.
R.I.P

I have such fond memories of Angela. We were best buds in high school, even though time and life happened, we always managed to reconnect over the years. Angel and i share a passion for plants and she gave me a plant cutting this summer and I will think of her when caring for it. She will always be thought of fondly and be missed. My deepest condolences to her family.

Hey Angela, Tyler from Rooted here! I know you only know me as the owner and plant lover! I am so sorry to hear of your passing. You were always so positive when you walked in to our store and we created a bond very fast. I always said that we created a family when we started Rooted and I consider you family! I will take your brave, positive outlook on life and apply it to myself day in and day out! Rest peacefully with all the plant love surrounding you!

My deepest sympathy & condolences to the family. I'll miss Angela so much! We'd spend countless hours on the phone discussing "our plants", and our kids. She's off to another dimension now to join with her hubby Pat whom she missed terribly. Fly Angela, you're free from your pain & suffering!

I enjoyed playing cards with Angela and listening to her and my grams talk when she would come over for visits, or when we went over to her home. I enjoyed our morning talks together when we were driving to work. She was and will always be a great friend.
