

Shaun Anderson

DECEMBER 21, 2020

Shaun will be missed every day by his loving daughter Sienna, who was the light of his life and the centre of his universe; his mother Marsha; father Lance and companion Heather; and his brother Devon. He will also be missed by his loving aunts, uncles, cousins, and many many great friends.

We know that Shaun is now with his grandparents and is loved here on earth as well as in heaven.

Although only 38, Shaun has affected many people in his lifetime. He was a true friend who was ready and willing to listen or help at a moments notice.

His beautiful blue eyes and infectious smile are only a memory away and bring back thoughts of so many wonderful shared moments.

Thank you for the joy and the sunshine you brought into our lives. We return you now with thanks and love and are grateful for the time we were able to share with you.

Shaun, we will see you again and until then you will forever be in our thoughts and prayers.

A Prayer Service followed immediately by a Celebration of Shaun's Life will be held on Saturday, January 30, 2021 at 3:00 p.m. Due to Covid-19 restrictions in-person attendance is by invitation only, however, we would be honoured to have you attend by Zoom. We will begin the Zoom gathering at 2:30 p.m. to ensure we're ready by 3:00 p.m., as well we get to say hello and visit a little. Remember with Zoom we can sing together, talk together, and you will be very present. Please call or text (306)581-9179 (Marsha) if you are able to share this special time with us.

Messages of Condolence

Shaun, I can still see you strolling in the door, making a cup of coffee, and sitting down for a chat. Often with your little wingman, Sienna in tow. You have a new set of wings now, to go with those beautiful blue eyes of yours. I still feel your presence and know you are here with us, but can't wait for one of those big hugs you always had. See you again, Godson. Love you lots.

Words really can't express my condolence to you Marsha, Lance, Devon, Sienna and the rest of your families. I loved Shaun as soon as I met him as a teenager. He pretty much lived at our house and I loved having him. He was an amazing guitar player and artist which I was in awe of. Erin and him were inseparable for 4 years during high school. Erin and Shaun were known as Salt and Pepper at Campbell, with Shaun and his black hair and his beautiful Royal blue eyes and Erin with her platinum blonde hair and her beautiful Royal blue eyes. Many people have commented that when they think of high school, they automatically think of Shaun and Erin. My other daughter Sara, was always his little sister and they had a great bond. Both my girls as well as me loved him then and will always love him. Sending love and strength your way and please know, you'll all see him again. Meanwhile he is with our Heavenly Father and his grandparents until the day we see him again. Rest In Peace handsome Shaun

I wish I could say I can't imagine the pain you are going through but I imagine it is similar to what I felt when my husband died suddenly. I am so sorry for you to have to experience that. My heart breaks for you. You will miss and love him for ever but the pain lessens if you work hard to recover, but you have done that before so I know you are one of those strong people who can do it again. Love and hugs to you.

— **Brenda Cornwell**

Marsha, Lance and family—we could never imagine the loss you are dealing with. Our thoughts and prayers are with you and may the pain of your loss be diminished by your wonderful memories of Shaun.
