My thoughts are with the Peterson-Keyes family during this difficult time. Sandra was an amazing person and I am deeply saddened to learn she was taken from us all far too soon.

Dale and family,

At this sadist of times there are no words that can covey the feeling of loss that we are all experiencing. Sandra was a wonderful lady and I feel honoured and privledged to have known her. Please accept my deepest sympathy.

To Dale and the Peterson Family,

I was truly saddened to hear about the passing of Sandra, the loss of your partner and loved family member.

There are no words to fill the void that you feel.

Remember she will always be with you in your heart, remember her by her smile, her laugh and her outlook on life.

Unfortunately, I am unable to personally join you tomorrow at the memorial service, but I will be there with you in my thoughts.

My sincerest condolences.

I am so sad Auntie Sandra is not here with us anymore. I often imagine her and Dad in heaven chatting it up! I can still hear her laugh when I think of her! Auntie was a large influence in my life! I know I was loved by her!
Miss you always !!!!

Dale/Dad.
Recently procured my first phone. Have enthusiastically attempted to find your phone number in the past while first learning the internet with no sucsess. Am only now learning the phone and this is the only avenue to you thus far.
I can still clearly remember the light and warmth when first introduced to your beautiful wife.
If anyone reading this passes my number(250 255 2415) to Dale, I'd be much obliged. I live in the forest so it might take more than one try!
Stephen Arthur Peterson.
