

Stanley Allan Anderson

MAY 22, 2023

It is with great sadness that the family of Skip (Stanley) Anderson of Yorkton, SK, announce his passing on Monday May 22, 2023, at the age of 78.

Skip was born and raised in the Preeceville/Sturgis area. His career with the Government of Canada started at the Orcadia Radar Base and he retired from the Armouries in Yorkton. While at the Radar Base, he met the love of his life, Helen, whom he married on March 27, 1967. Along with her came his daughter, Brenda, whom he raised as his own.

He is remembered by his family and friends as a loving, kind and dedicated man. He loved to laugh and make others laugh, therefore pulling many pranks on those closest to him. His laugh was contagious and he had a good sense of humour. Not only were him and Helen inseparable, but he was a huge part of his daughters life, devoting much time and energy to her and her family. The grandkids remember him driving them to their activities, always making them feel like it was the absolute best part of his day, then taking them out for a treat afterwards, just the two of them. He spent lots of time with them and taught them how to fish, camp and play cards. He would sometimes take them to work and let them experience new and exciting things no one else ever could. He took his daughter and then grandkids gopher shooting and let each of them learn to drive at a young age, sitting on his knee. As fishing was one of his passions, there are many stories with

family and friends that bring back fond memories for each to cherish. To his great grandchildren, he was always ready for a snuggle in his big comfy chair and maybe a tickle or two. Being around him, one had that intangible feeling, a sense of peace, joy and love, where everyone knew they were welcome. His loyalty devotion, dependable and loving nature will be greatly missed by his family. We will be forever thankful for the role model he has been to us and the life lessons he taught us through his actions. We cherish every moment we spent with such an amazing man and his influence will continue to be felt and help our family long into the future.

He leaves to mourn his wife, Helen, his daughter Brenda (Wayne), his grandchildren; Lucia (Brenden), Ryan (Angela), and Tyler (Mandee), along with his great grandchildren; Addi, Dax, Kolby, Brooks, Sadie, Lincoln, Kash, and Mila, his sisters; Diane and Bonnie (Peter) and many other family members and friends.

May he continue to have the best seat in the house for his hockey games with all the sweets he wants, and his dream vehicle in immaculate condition with a spot saved for the love of his life right beside him. We are happy to have you free of pain and suffering looking down on us and guiding us in our daily lives.

Out of respect for Stanley's wishes, no funeral service will be held at this time.

Messages of Condolence

Dear Helen

I am so sorry for your loss, my deepest sympathies go out to you and your family; I will always remember Skip as a kind, friendly, warm and compassionate person with a wonderful sense of humour. I have never forgotten how caring & comforting you both were when our family lost my brother and nephew in a tragic accident and you & Skip drove myself and my parents all the way from Yorkton/Saskatoon to Edmonton. May beautiful memories bring you and your family peace during this difficult time. With deepest sympathy, Donna Mann (Marchinko)
