My sincere sympathy to Virginia's children, her mother, brothers and families and all other family and friends. We had so much fun and friendship as growing up as young girls at Danbury/Arabella .We had spent a lot of fun times at functions and all the dances. As we moved on in life and lost contact. Often would think about her and her family. We were the same age a month apart. Mom Anenette you where so supportive to us girls growing up. May she rest in peace. Adeline Daviduck - Dziaduck.

I worked with Library Services at the former SIAST/Wascana Campus before I retired. Virginia was always one to recommend the library to her many students and was also a good library user herself. Our talks and visits as co-workers will always be remembered fondly. Virginia was a very pleasant, gracious person and more than friendly to the other staff. She often told me about her son and grandchildren and her daughter and was so very proud of them and they completed her life. Virginia was a most wonderful person with a beautiful soul, I will remember her.
