Messages of Condolence

I am so sorry for your loss of your dear uncle and brother. My thoughts and prayers are with you at this time. He was so kind to all of us "Judys" growing up - he was a very special man.

I just found out about the the sudden loss of Demos who was also my Godfather, and a friend to my family for many years. I will always remember his kind spirit and joking manner when we were growing up during easter events and christams. He was a great man and will be missed, the world would be a better place with more people like him.

My deepest condolences and sympathies to the family.

I am so sorry to here of "Uncle's" passing. I was so lucky to have known this kind and loving man. His niece Yolanda and I were best friends when we were young and Uncle was a large part of our lives. He was always there with a joke and a smile. Buying us treats and driving us to where ever we thought we needed to go. I am so sorry I will be unable to attend the funeral. My heart, thoughts and prayers to all the Vlahos family.
