Messages of Condolence

I am very sorry to hear about Peter's passing. My wife and I along with our kids (and grandkids) send our sincerest condolences to your extended family.

I remember Peter being a fantastic person during the many years we lived next to him and his family in Kitsilano. He was patient and understanding with me, my brother and our other community friends during our formative and teen years. He was a great example of how to live a warm and kind life. I am sure those bushes on the eastern edge of their front yard that he let use as a soccer goal were ever the same. :)

I am remembering all of you in my prayers.
Kevin
