Messages of Condolence

Merle and Family

We would like to send our most deepest sympathy to you all in the passing of Bud. Our relationship started out as neighbors but soon turned into a rewarding friendship. Bud loved to tell us his stories of life experiences, Bud always had a smile and a chuckle and every once in a while a great joke . His Love for his family was strong ...but the one who really had his heart was his loving wife Merle which was easily seen at all times. I am happy we were able to stop and see him last summer on a visit back home, our family will miss him dearly.
