So sorry to learn that Betty has passed. There is a story that I was told when I was one and Mom and dad went to Banff with my grandparents, left me with your mom for my first birthday. Apparently, after a week or so, I was not wanting to go back home with them. Take care remembering all the cherished memories that happened over the many years.

Dear Janice and Family: On behalf of the old Sask. Power Ladies Bowling League, I as president want to send our condolences to your family on the loss of your dear Mother Betty. We enjoyed bowling with her very much and enjoyed when she hosted our potlucks in her house. I remember when Betty fell on the allies and broke both her arms, a scary moment for all. Sorry I can't attend her funeral today but she is in my prayers. Sincerely Marilyn Oancia.

— Marilyn Oancia

Our prayers are with all the families today. Your hearts are heavy with grief but always remember her in all the memories stored up in your hearts. Love you all.
