To Roger's loving family,
It is with heavy heart that I read of Roger's passing this week in our local newspaper. I first met Roger as a customer of Kipp Scott and always looked forward to seeing him when for the last 8 years I have taken my car for service. We always shared a conversation about the state of affairs in our city and province and of the general kindness of the people that we meet and worked with. Most recently Roger called me to help with my run for a seat on Red Deer City Council. His belief in me and support demonstrated the kind of person he was and I felt honoured to have his support.

My prayers are with you and the family as you grieve his passing far to early. May you be comforted by the memories and the knowledge that he impacted the lives of many. I will miss seeing him when I make my regular appointments at Kipp Scott but will remember his pleasant smile and demur when I glance over at stool where he often waited to service me! God Bless and keep you all strong.
