Messages of Condolence

to the Wilkins family:
I remember George with fondest memories at all the Switzer family reunions. In the early years, I do recall all the milk and milk products he supplied at our picnics and gatherings. A very sweet, gentle and kind man. We were certainly blessed to have known him. On behalf of my children, Ryan and Kristin as well as myself -- may it help to know that we're thinking of you with deepest sympathy and heartfelt understanding of your loss.

Marty and I just wanted to say how sorry we were to read of the passing of George. We both have fond memories of him at the many Remembrance Day ceremonies at the school. I especially remember greeting him each day as he delivered the milk to Ross Ford for the milk program I ran while teaching there. Please accept our sincere condolences to all of the family- kids and grandkids.
