While I haven't seen Anthony a lot in the last number of years I have many great memories of the time spent with him as young boys. We spent many summers in Regina or on the farm .

I only met Tony a couple of times, but it felt like I really knew him through my friend Lisa. My last memory of Tony was last week. He was chasing "Meep" around the house, trying to get him back in his cage. Lisa was hiding in the basement. Holding space for Lisa and both families. One day at a time Lisa, Hungarian strength girl. ☐ ☐☐☐☐

To Micheale and Ants family I send my deepest condolences on the passing of such a big teddy bear. My heart goes out to you all. I'm sorry I couldn't make it to the celebration of life. Just know how thankful I was to have known Anthony. Love Aunt Marilyne.

So sorry to hear of Tony's passing. We were in high school together at Balfour where he gained the nickname of Zonk and liked it enough to put it on his hockey team jacket. Long live the Zonk!
