My dear sister, Our hearts go out to you. Ron had such a Big heart, he would do almost anything for his family and friends. We will never forget all the phone calls, support and visits when Merl had his health problem. He was always there for both of us for years. He will be dearly missed.

Betty, my deepest condolences and sympathy for you at this time. I remember working with Ron at Travelaire and sharing more than one pint with him and Dave, along with all the guys. He was always good for a great conversation and was one of dad's very good friends. You both always remained a very wonderful couple in my life growing up and I was pleased to be included in your invitation for his memorial. I'm very sorry I couldn't make it (Iris was unwell), but I will raise a glass in his memory and will always remember his distinctive voice and humour. May you be well and know that you are in my thoughts of peace, fond remembrance and healing. Much love to you.
