My dad was in the hospital room next to Mr. Ast on the 8th floor. We are so deeply sorry for your loss and want to let you know that we enjoyed the talks with Dave's mom and with Roger? We were very touched by Dave's story and wanted to let you know that even though we are strangers to you, we prayed for your family. We would also like to say thankyou from the bottom of our hearts for your generosity (parking passes). We are still here at Foothills and are grateful for them.
