I was sorry to hear of Sharon's death and also sorry I was unable to attend her memorial service due to prior commitments. I remember how much she loved her family. She taught me a great deal during our few years together on the buses, and the years later as our paths crossed from time to time.

I saw a few pieces of her early artwork and would love to see more of this gifting of hers. If there are any available for purchase, I would be interested in buying one (or more?) as a token of our friendship.
