## Messages of Condolence

Condolences from my folks, Skip and Muriel Hampton, and myself. Sandra was a lovely woman and always very pleasant to see.

So very, very sorry for your loss. We will miss the friendship of our fellow car club member & always remember the beautiful smile that greeted us with each meeting. She was a friendly, kind person that you wanted to be around. Our latest hello was at the Olds car show. It's sad knowing that is the last time but a blessing our path crossed.

Our condolences

I am sorry I will not be able to attend the service today.

I have many happy memories of spending time with Auntie Sandra, Uncle Harlan, Troy and Marni. As a kid there were many family get-togethers and adventures with them.

Auntie Sandra always had kind words to offer and would not hesitate to invite a visitor to enjoy a bite of something tasty she had created in the kitchen.

You will be missed Auntie Sandra.

Love,

Danette

What a wonderful warm and friendly person Sandy was. We met playing volleyball in Acadia (with Marnie too!) many years ago. Sandy was such a lovely person to know. Willing to help, ready to listen and always with a smile and positive attitude. Until we meet again on the court, my dear. God bless.

Harlan, Troy & Marni

Sincere Condolences on your loss. What a pleasant person she was. She brings back many camping, hockey memories. Also when Sandy worked at the Co-op, she would have a hard time getting her work done because she knew so many people that wanted to stop and chat. She was always good for a smile & chat. So sorry to hear of her passing.
