Messages of Condolence

Jimmy, I will miss you very much. It is always a delight to hear your calm voice and you always talk about my late husband Victor and your memorable good times which is very comforting.
Now, it will be only Nora to talk to when I call. However, It is very consoling to know that you are now in joyful and peaceful Heavenly place with the Lord.
Here, I ask for the Good Lord to look after Nora as well. Your memory will always stay alive in our hearts forever and ever till we meet again in time God also takes us home where we belong. Praise you Lord for the Love and Peace. Amen.
