

# Aida Acosta Bagayan

FEBRUARY 22, 2023

We will always remember your selflessness, your simplicity and strength and of course your love for cooking . You have lived your life independently and have worked hard . Now it's your time to shine in heaven . May you rest in peace

## Messages of Condolence

“Goodbye to you, dear sister. You deserve eternal rest. You cared so much for everyone and always did your best” REST ON ! See you in heaven!
