There are no words, only deep sorrow. Bailey had such a bright, undeniable light about him. My family and I are sending you all our love and strength during this time. His grandma used to babysit my sister and me, which is how I first met Bailey when we were young. Later in life, we reconnected, and that same bright light was still so clear in him. Please know our hearts are with you in this time of mourning. From the Fontaine family.
