Lilian Bailey - (Harrison Hot Springs)

In Loving Memory 1937 to 2021

It is with Great Sadness that Fred announces that after an incredible 64 years together, his Loving Wife Lilian Bailey passed away on Saturday September 11th, 2021.

Lilian, formally of Liverpool England, will be dearly missed. She is survived by her loving Husband Frederick, Brother George, Sister-in Law Caroline, Son Phil, Grandchildren Kevin, Karina, Trevor, Ryan and Toni, Great Grandchildren Kylie, Jaxon, Lincoln, Nathan, Jordan, and Brooklyn.

Lilian, Fred, and family moved to NFLD Canada in 1972. After a few years in Marystown they decided to drive across Canada and relocate to British Columbia. Raising their family and developing some close relationships with new friends in the soccer community of North Delta area. Finally retiring in the cozy holiday community of Harrison Hot Springs where they formed some solid friendships with many other Ex-pats that had also decided to call Harrison their home.

Lilian was well known for her housekeeping and organization and for hosting fabulous dinners and get togethers. Lil and Fred were always very social and she always looked forward to Happy Hour on the back deck with friends and family. Lilian's attention to detail, always seeming to have everything in hand and under

control as well as her love for her Family and Friends will always be the first things you think of when you think of Lil.

Lilian will be missed but never forgotten.
