MY SON.

My son is gone I am Bereft.

An empty heart is what is left.

How could he go before his time?

It's so unfair when in his prime.

He was a lovely little boy, who kept me laughing and brought me joy.

And as a man he strengthened me, now he is gone, how can that be?

He suffered much , it broke my heart.

I knew that soon he would depart.

But now he's where there are no sorrows

Or pain, but only bright tomorrows.

We'll meet again, of that I'm sure,

And be a family once more.

So till then, my dearest son,

Rest in Peace your journey's done.

Your'e smiling down on me today,

And in my heart I hear you say, "I love you Mom"

And I love you. I'll miss you lots my dearest one.

Deepest condolences to Sandra, Jada, Taylor and Brandon on the loss of their loved one.
