The Balint family lived next to us on 15th & Blenheim in Vancouver when I was a child. I have many fond memories of them all. I'm sad that we lost touch over decades and decades- but I've never forgotten how kind and friendly they were. Sending much love and condolences to the family

— **Sonya ( St- Amand ) Gulbransen**

We will miss Brigitte. We sang together in the Melody Choir for many years. She was always interested in everything especially music and she brought to the choir many songs that we still sing. Our deep felt condolences to her family.

We are sorry to hear of Brigitte's passing! We sang together for a few years in the Austrian Choir, and also talked sometimes on the phone about her beloved Speyer as my husband and I had visited her hometown while we were in Germany. We fondly remember her.

Our condolences to her family.

I was waiting for Brigitte to call me back on something, she never did because she had left this earth, quietly.

May You Rest in Peace

— **Elisabeth Wondra**

I am truly sorry for your loss. I met Brigitte and her husband Joseph more than 60 years ago, when Brigitte was part of the Vancouver Opera's Chorus. Later I met her again when I took on the post as conductor of the AVC Melody Choir. I admired her for her love of music, opera in particular. Whether on radio, TV or on stage, she never missed a performance. I will always remember Brigitte as a true lover of music and her dedication to the AVC Melody Choir.
