Dear Lee-Anne, Mitchell, Krista and entire Family

Shirley worked with Gerry at TD Bank for several years, but the most memorable times were when we went for the odd beer or two! We had so much fun. We will miss her dearly.

Our prayers are with the Family now, but we know she will save us a pint when we join her when our time is up.

Gerry & I worked together for close to 20 years.
She was a great worker with a super personality.
We had several beverages together over the approx 20 years and a lot of laughs,
which made work more enjoyable.

Our condolences to her family.

Marcie & the rest of Jo Ball's Family,

I was shocked to read of Jo's passing. My deepest condolences to the entire family. Jo was one of the nicest, fun-loving people that I knew and to this day, Marcie, I still say our trip to Hawaii was my best vacation ever! I had planned on attending the Celebration of Life for Jo but am unable to as I will be on vacation at that time. My prayers are with all of you.
