Our hearts are with you "Lil Tex", Miranda and Meagan at this time. Simon sure loved you guys, he talked of you all fondly, always honouring his family he was so proud of. I remember his days at home with the girls, driving them to school (when they could have walked lol), a swimming pool in the back yard and tons of stuff that i am sure was the envy of the whole block. I especially loved his soft heart to the Lord, I couldn't run in to him in walmart or anywhere without him immediately asking me to pray and talking about what the Bible says about this or that. Simon we will honour you as well, and see you on the other side!
