I was so saddened to hear about Bonnie's sudden passing away! Our kids went to school together her and knew her from Beddington Heights Elementary! I would often bump into her at Superstore. She was the most kind hearted person and greeted me always with a smile and kind words! You are all in my prayers at this very sad time! Blessings to you all!

— **Cindy Atkinson**

My prayers are with you all.

I will always remember Bonnie as I knew her when we were children, a very caring and loving person, and I not believe she had changed much as she grew older.

As Bonnie always put on her emails and correspondence to me, "hugs".

— **Carol Carter (nee Woodworth)**

My thoughts are prayers are with you and your Family.

Glenn & Family:

I am so very sorry to hear about the sudden passing of Bonnie. It was only a couple of weeks ago that I was telling Lance about the Christmas we did our wrapping together and she showed me "HER" way of wrapping Christmas gifts... I've been wrapping them her way ever since. I always think of her when I am wrapping gifts, especially Christmas time. I know you and the boys will miss her terribly, but know that she is with our Heavenly Father and she will be looking over all of you from above. Keep her memories close in your heart and feel her presence always.. God Bless you all!

Glenn and family, I was shocked and saddened when I heard of Bonnie's passing. I first met Bonnie when Morgan and my son Kevin were in kindergarten and had the pleasure to get to know her over the years. Bonnie was such a kind, beautiful person and always had a smile. I'm so sorry for your loss.
