Messages of Condolence

Barry always treated me like I was his son. Always willing to give me a place to stay. My best memory of Barry was when he took my car out for a drive to see what was wrong with it and Dmx came on rap music playing .He put a smoke in his mouth and yelled, hey Justin where the B@*ches at I laughed so hard that day.He always loved his family. Thank you sir for the great memories. Now you and peanut can be together drinking some Pepsi.To the Boszak family I’m very sorry for your lossTill we meet again, sir? Till we meet again,Cheers Justin
