Messages of Condolence

Ina, Ryan and Aden, Our hearts go out to you on the loss of your Mom and grandma. So very sad. But we do have the wonderful memories of her, and you, throughout my entire life. So many thrilling Hallowe'en adventures, so many nice visits, so many practical jokes (and meals) shared. Aunt Cel was always a hoot, and very entertaining to visit. I will remember her always, and she will be greatly missed.

Dear Uncle Richard, Ina and family,

We send you our deepest sympathy. One summer Dolores and I boarded at your Mother and dad's for a couple of weeks. Your mom was very kind and jolly. I will always remember her smiling face, her giggle and laugh, her good meals. We enjoyed staying at your house very much. We remember Uncle Richard as a very friendly, happy man with his good looks and smiles. We will always know you Ina from a lifetime of seeing you at various events, such as the podiatrists, the Performing Arts Centre, weddings and funerals, and many other times. You were always a sweet, friendly girl. Obviously your whole family was kind and friendly. We send you all our love and best wishes. Bill and Rita
