Messages of Condolence

Our Deepest condolences to the Bell Family

We had the pleasure of knowing Agnes and Ken through our joint interests in both Rotary and The Springs and Radium Golf Courses. We were so shocked this morning to see the beautiful picture of Agnes but, beside her obituary. Ken and Agnes were such good, kind and fun people to spend time with. We regret that we did not see more of them in the past several years. They were wonderful people and our sincere sympathy to you all.
