I met Fred Bell for the first time about 5 years ago at the Foothills Camp. Right from our first greeting I found myself being drawn to this quiet, humble man with so many interesting lifestories to tell. Being from Newfoundland, Fred and I soon connected on matters revolving around life on the island and the work of the church there.

I will always remember him as a wonderful spiritual man who loved the church he so faithfully ministered to over the years and also for his strong faith in Jesus and the blessed hope.

May Fred's faith in Jesus be an inspiration to us and a source of comfort to each loved one now in sorrow at his passing.

Hi Janet & Ron,

We are so sorry to hear the passing of Fred. He was such a kind man and loving Christian. We believe he will be in Heaven and this hope we have is the peace that passeth all understanding. Remember the memories and let them make you smile. He lived a good life and you were a great daughter to him. Allow yourself to cry and it will get better. You will never forget but the pain will dullen. We love you and with regrets cannot make the funeral. You will be in our thoughts and prayers. We have this Hope!

God bless you and may He give you the strength you need in the next few days.

Hugs,

Rayette & Lonnie

I am so sorry to hear about your father's passing. I know how difficult it is to lose a parent, even when you know that it is inevitable. You can never be fully prepared for the grief and sorrow. My heart goes out to you and your family and you will be lifted up in my prayers. I know that you will find comfort and strength in your family and friends and in the knowledge that this is not the end, but that you have even more to look forward to when Jesus returns!

Dear Janet & Ron,

It is traumatic to lose a parent. God said that He would never leave us or forsake us. Blessed are those that mourn for they will be comforted. May God's comfort be with you during this time. Dennis & Marlene Heintz
