Messages of Condolence

My thoughts and prayers are with you. I send my condolences to Agnes and her family.

— **Dorothy Fletcher**

My sincere condolences go out to Agnes, his wife and all the family members. It is a very difficult time in your life to lose someone so special. I really enjoyed the times they used to drop by as they were passing through Kelowna. Remember he is in a better place with his family that have gone before him.

— **Mary Sander**

Will always remember fondly knowing and learning from Ken - a very wise man and role model with great humor!
