Messages of Condolence

After Bea passed away I'm sorry I never really stayed in touch with your mom/grandma but I wanted to tell you that she was a very warm and welcoming person. I admired her strength and optimistic outlook even thru the tough times. She was gracious and kind any time I saw her. My thoughts and prayers are with you all. DEB

Dear Cousins,

Thinking of you all as you remember your mom's remarkable life. We shared a lot of good times in our growing up years! Auntie Irene was always good to me...I still have the little pen she gave me for my graduation! We are still in Palm Springs so regrettably not able to attend the service tomorrow. I hope you feel surrounded by much love...sending healing prayers and comforting hugs. ~ jYL
